

AMIENUL RANA

Frontend Developer

Medan, Indonesia | 0852 6385 6085 (whatsapp) | amienulrana@gmail.com

ABOUT ME:

As a frontend developer with 2 years of experience, I am skilled in several modern technologies, including React.js, Next.js, Vue.js, and GraphQL. I am also proficient in Typescript, have experience with Jest for unit testing and have experience with cypress for E2E testing.

I am passionate about creating user-friendly and intuitive interfaces that enhance the user experience. I thrive in dynamic and collaborative environments and enjoy learning about new technologies and methodologies.
