

AMIENUL RANA

Frontend Developer

Medan, Indonesia | 0852 6385 6085 | amienulrana@gmail.com

ABOUT ME:

As a frontend developer with 2 years of experience, I am skilled in several modern technologies, including React.js, Next.js, Vue.js, and GraphQL. I am also proficient in Typescript and have experience with Jest for unit testing and Cypress for E2E testing. I am passionate about creating user-friendly and intuitive interfaces that enhance the user experience. You can check out my portfolio at <https://amienulrana-v2.vercel.app>, where I showcase some of my projects.
